Dear Ben:

Heartiest congratulations on being selected by your many admiring surgical colleagues to receive the very prestigious "2010 Lifetime Achievement Award" from the Society of University Surgeons. During the past five-and-one-half decades you have served as a mentor and inspiration to so many of us, and will be long cherished. In addition to your numerous scientific and clinical contributions, you have been a beacon of leadership, with logic, enthusiasm tempered with wit. Your vigorous outdoor activities leads many of us to live vicariously with you on your countless adventures. It has been a privilege and honor to know you for so many years.

With great respect,
